

Monthly Membership Recurring Payment Authorization Form

Here's how recurring membership payments work:

By signing this form, you authorize Relaxology, LLC to make one monthly scheduled charge to your credit or debit card for the Wellness Plan you chose below. Your discounted monthly rate will be deducted, either on the 1st or 15th, for any services you wish to receive EACH MONTH. Membership also entitles you to an unlimited number of additional services at the member rate on a "pay as you go" basis, PLUS a 10% discount off all retail products. Services can also be shared with friends and family. Membership cancellation must be made in writing 15 days prior to cancellation effective date. There are no fees, contracts, or minimum terms. Please note, memberships maintained for less than 3 months are not eligible for membership rates again for 1 year.
